Elaine Martin

"I'm sex mad! And eager for a lot of cock!" Elaine tells us. "I'm so sex mad that I'll fuck anyone at any time. I don't have a type. I'll even fuck women. I'm very open minded and always willing to try new things and sexual positions. Anyone want to play?"

Caroline Andrews

"I have to confess that I've got a real addiction to sucking on cock, and luckily for my husband it's only his piece that I've got eyes for. It's not that strange for a wife to worship her husband's dick but I take it too far on occasions. My obsession is pushed as far as I can take it and I love giving him blow jobs and feeling the hardness of his cock in the strangest of places, especially when we're out in public, the fear of getting caught in the act only spurs me on."

"This is my husband and I. We've become very adventurous recently and we've started to experiment with other people in our relationship. Its so much fun and I'm hoping we keep the spark going!"

Dave and Janet

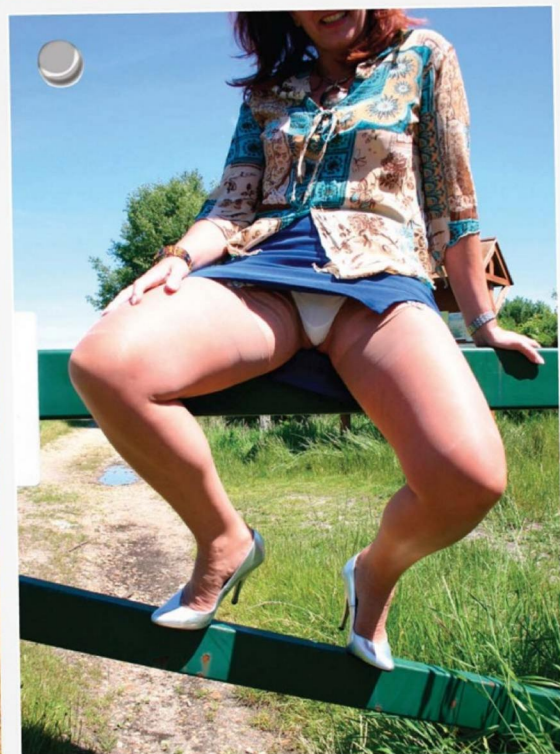

We receive so many photos every month and for those readers unlucky enough not to win £200 and a professional photo shoot we've reserved these pages especially for you! We love receiving all of your pictures and the magazine wouldn't survive without them so if you'd like to be in with a chance of winning £200 and appearing in the magazine turn to page 61 to find out more!

"I love the taste of cum. I always ask my husband to pull his cock out of me when he fucks me and cum in my mouth. If he doesn't I have to dip my fingers inside me a lick off the excess."

Maureen

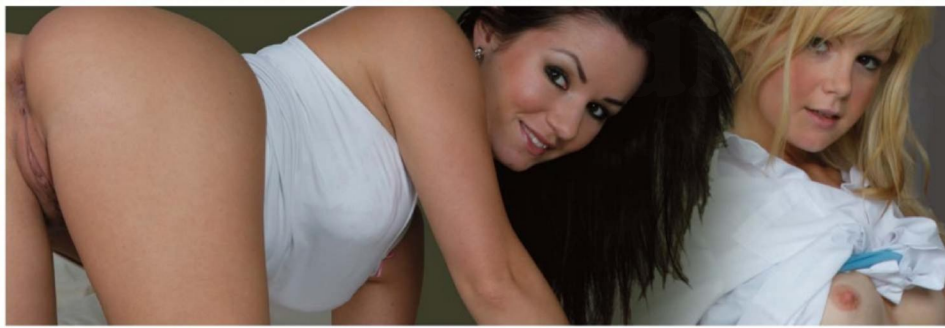

"I live in a little country village and find it hard to find new men to fuck. I've got a bit of a reputation where I live as a bit of a whore so I now try and pick up men as they pass by my village. I need to get my kicks somewhere!"

“I’ve always fantasised about fucking a younger guy whilst my husband watches. The thought of seeing my husband’s face as someone else is giving me an orgasm is such a huge turn-on for me, I’m getting tingles just thinking about it. We’ve had a little chat about it and he’s finally agreed to let me do it, deep down I reckon he thinks that it’s a good idea, he just doesn’t want me to know this. In an ideal world I’m looking to shag a younger man with bags of stamina and hopefully a large cock too. It’s exciting to think that I’m going to have a fuck buddy soon, please don’t keep me waiting too long!”

“I'm totally sex mad and as of yet I haven't managed to find a guy for sex in about two months, which might not sound like much to you but it feels like an eternity to me. This dry spell can't go on any longer so I'm hoping that some 'up for it' men can help me out and come and plunge their hard rods into my wet pussy. I'm absolutely gagging for it and I need a large cock inside right now, so please get in touch if you're horny and single! My huge tits usually do it for me every time but they're not working for me at the moment. If I were to promise you a tit wank and let you come all over my nipples and face would that help! Surely I'll get laid soon.”

**Jeena
Arnold**

"My naughty confession is something that all housewives dream about, and that's fucking the handy man! It all started when the washing machine broke down while my husband was away on a lad's weekend away. I tried several plumbing companies until I finally found one that could send someone out there and then. What I didn't realize at the time was that it wasn't a real plumbing company but a service for lonely women to call when they needed a little pick me up, and boy did I realize what was going on the moment his dick entered my mouth!

When the so-called plumber turned up I found myself staring at a twenty something young stud; he was wearing tight jeans and a sweaty tank top covering a very sculpted body. I took him to the utility room and asked him if he wanted a drink or something,

WorldMags.net

at this point I was still unaware that I was talking to an escort! He told me that he was fine but asked if I had a large wrench! I said that I didn't so he took me by the hand and placed my palm over his crotch and asked me if I wanted to use his instead! I was in utter shock and before I could even respond he placed both of his hands over my breasts! I couldn't help but let out a moan as he squeezed them and I felt his wrench getting larger. He lifted my top over my head revealing my breasts and then started sucking one of my nipples. I put my head back and moaned louder. I was in my element and I wanted to see that cock that was swelling in his pants. It sprang into view as I undid his zipper and I almost came right there. It was about 8 and a half inches long and thick. I grabbed a hold of it and in one swift move went down on my knees and had it almost all the way down my throat. He grabbed the back of my head groaning and held me there as I deep throat him. I reached up and started playing with his balls while I moaned around his cock. He pulled back and started thrusting his it in and out of my mouth. I took hold of his hips and kept up the rhythm, swiping my tongue up and down his shaft with each thrust.

He must have been close to coming so he pulled away, letting his cock pop out of my mouth and flop up, slapping his stomach. He beckoned me to a stool in the corner where he bent down and started licking my tits all over, then he put his cock in-between and started fucking my tits. I grabbed both my breasts in my hands and squeezed his cock hard between them, opening my mouth and trying to catch the tip of his cock with every thrust. Just as I thought he might cum all over my tits, and face

he pulled away. Pulling me up in one movement and lifting me so that I was sitting on top of the machine. Then he leaned down and started kissing my stomach tracing a line down to my pussy. I could hear how wet I was when he stuck his fingers in me. I leaned back spreading my legs. He just looked up at me through my legs and smiled. He leaned forward and started tonguing my clit while liding his fingers deep in my pussy, one at first and then two and three. I was moaning and writhing on the washing machine. I came over again and over again.

After a while I grabbed his hair and pulled him up for a deep tongue kiss so that I could taste myself on his lips and tongue. I wanted his cock inside me so badly so I hopped off the washing machine and turned around, bending over the top of it. He came up behind me and thrust his cock into my pussy, all the way to the hilt in one stroke. I screamed with pleasure as he started slamming it into me. I came so hard my body was shaking; it felt so good to have a hard dick slamming into my pussy. He thrust it into me over and over for what seemed like hours then, I felt him stiffen even more and he pulled away. I turned and fell on my knees again and he shot his load all over my tits and face. I caught a little in my mouth and started licking my lips. I looked up at him smiling while I lifted one of my tits to my mouth and licked his cum off my nipple.

Needless to say my washing machine didn't get fixed that day and I never saw my horny plumber again, but I did see a rather tasty electrician a few weeks later!

“My husband Robert likes it when I dominate him. He has a very high-powered job where he has to push people around all day so when he gets home he likes me to take the reins. I have a dungeon where I take him when he gets home and I strip him down and spank him. He loves to be spanked and I can see his erecting grow harder with every crack of the whip. He’s not the only one who loves it; I get so wet that I demand him to lick my pussy until I’m completely clean and satisfied. “

Tilly Hunt

Thirty-year-old newly wed Tilly has been an amateur model for a few years now and she says that it's the best feeling in the world spreading your legs for the camera in the knowledge that thousands of guys are going to pull their cocks out and have a wank all over your picture!

“It's such a turn on when you think of all these guys who get hard-ons when they look at me naked. I have recently just got married and my husband loves seeing me in the magazines. He was a huge fan of my modelling before we even met and he loves bragging to his mates that he is married to a porn star! Well, porn star is a bit of an exaggeration, but I like to think I look pretty hot when I'm watching videos and looking at photos of me taking a cock between my legs. We do our own photo shoots at home, and it can get very kinky. I always get so turned on and wet when I'm posing for my husband that afterwards the sex is always more fulfilling and much dirtier too. We would like someone else to get involved in our photo and video shoots, perhaps my husband taking the photographs of me and another guy? If you like the sound of it, then feel free to get in touch!”

Nicole French

43 year-old Nicole French, a divorcee from Leeds says that she is fed up with not getting any sex. In fact, she's so horny that even when she's at work she can't help but find herself a quiet spot for a quick bean flicking session!

I 'm currently single and searching for Mr. Right, but unfortunately I've yet to find him. It's been a long time since I last had sex and I've had to find all sorts of ways to keep my womanly needs and desires at bay!" Nicole told us. "Over the past six months my cravings have become really bad and I'm no longer satisfied with a morning and evening time wank so I've started masturbating at work! Initially I was slipping off into the ladies room to relieve the tension but they were a bit grotty and I'd have to stop every time someone came in to use the toilets. I'd work really hard on building an orgasm just for a colleague to walk in at the wrong time meaning I'd have to start all over again the moment they left the room. Sometimes it would take me half an hour just to squeeze out a pathetic little orgasm. Then it came to me! I was pretty much the only person who went down to the stock room during the day and seeming as there was only one key, which I happened to keep in my desk, I would never get interrupted!"

I 've been masturbating in the stock room for the last month now and I find myself going down there three or four times a day. I've got a little box hidden in the corner, which contains a pretty decent selection of dildos for whatever mood I'm in. If I fancy a really good fucking I'll bring out the 12 inch green monster and smother it with lube so that it goes in with minimal fuss. It's one of those dildos that have a suction pad on the base so that you can fasten it to a wooden chair and lower yourself on to it without having to actually clutch it in your hands. I ride it as if it was a real cock, watching it disappear inside my pussy in the mirror positioned in front of me, whilst rubbing my nipples with my hands. The only problem is that I have so much fun that by the time I've finished the whole room stinks of pussy and sex! I'm kind of hoping to get caught out by one of my male work mates who will decide that they want to join in and fuck me rather than report me to senior management!"

Edith Hardman

Lonely Edith hasn't had sex for nearly ten-years. 'Basically I'm gagging for it. I'm divorced, live alone and I have my own home. Why don't we get together?'

Lizzie Ann

Lizzie Ann is sex crazy divorcee who was thrilled when her friends brought her very own session with a professional photographer.

I was in complete shock when they told me and a little reluctant, but they said I could do with some cheering up and the photos would be a good thing to show off to a new partner; if I'm lucky to meet one. I've never done anything like this before, although I'm a bit older, it doesn't mean that I don't get horny. To be honest I'm absolutely gagging for

some cock again now...

I need a good sex life because at the moment I'm only pleasuring myself, which just isn't the same as a real life cock. After I had seen the results of some early shots, I decided to get into the spirit of things and go completely naked. My friends suggested for some fun I send them into some sex magazines and see if I get any response to them. Posing naked was such a big turn on and the thought of men out there wanking over my pictures makes me want to finger myself right now. So if there is anyone out there who wants to be shagged then please get in contact & come round to mine for some fun!

Hannah Ditton

I am your typical bored housewife. I met my husband in a whirlwind romance, but now the affection has gone and I am left to myself. I sometimes try and spice up the relationship, by buying some sexy underwear. But the only one who seems to have noticed

me is the guy next door. He complimented me on my figure and now when I'm alone in the shower I am imagining him grasping my tight buttocks and easing his hardening cock into my aching pussy. I don't want an affair just some hardcore fucking.

Vanessa Murphy

We'd like to send a big thank you to keen photographer Peter Murphy for these great photos of his wife Vanessa. He told us that when he approached her about sending in the photos she was really up for it and couldn't wait to strip off for him. He also told

us that he decided to try and push his luck later on by confessing to her that he wanted to take some photos of her being fucked by another guy, to his amazement she confessed to him that it was something that she'd always wanted to do too! That's a result in our eyes!

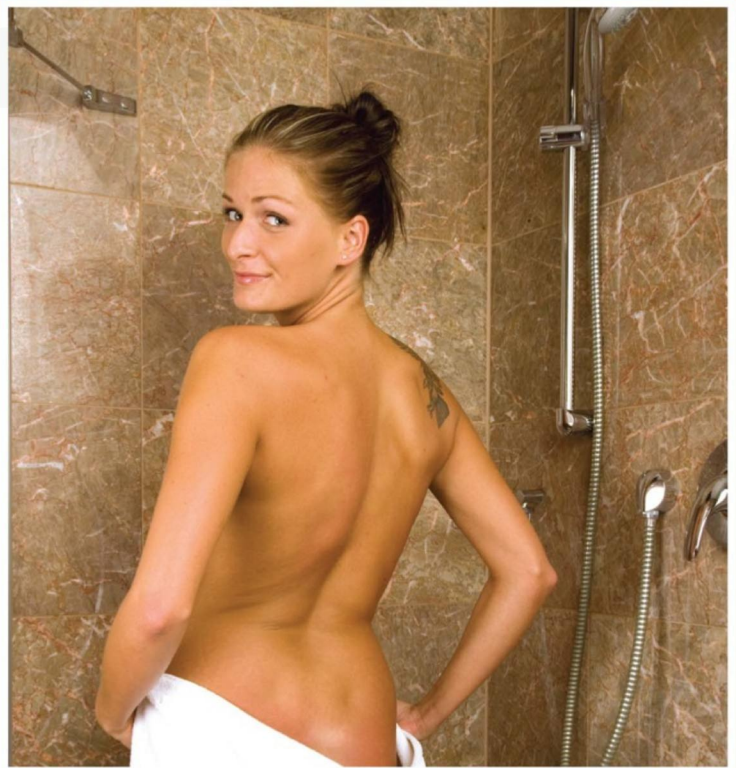

"I'm completely head over heels in love with my wife and her hot body," Peter told us. "So much so that I couldn't resist sharing some of our photos with you. Her skin is so soft to touch and when I run my hands over her petite breasts and down the smooth skin that runs uninterrupted

all the way down to her clean shaved cunt, I get tingles down my spine. I get such immense pleasure laying her on her back butt naked and rubbing the head of my penis up and down her skin, from one nipple to the other and then down her belly to her tight snatch, which is waiting for me to penetrate it! This is all great but what I think I'd get even more pleasure from is watching another man and his cock treating her like a sex goddess. I'd let him do anything he wanted to her and after telling this to Vanessa she told me that she was only too happy to be used as an object to be fucked."

Mrs Brown from Ipswich is a dirty cock lover that has an open relationship with her husband Clive.

'We were getting bored with each other sexually and we just decided to try something wild. It has been an amazing change to our sex lives. Sometimes if we have invited a date back we try and persuade them to let my husband or myself watch. I know my husband loves to watch me get fucked like a filthy whore. I like to be dogged from behind and face my husband and watch him wank his cock off on the seat next to the bed.'

Jenny Ramsbotham

“I'm a single woman in her early forties who has spent the last decade enjoying casual sex and having a bit of fun. I've come to accept that I'm not a spring chicken anymore and I'd love to settle down and find myself a husband as soon as possible.

Granny sex in all its glory and filth is in extremely high demand by young and older guys - my name is Beth and I'd love to explain why I enjoy being on a adult chat sex line every day having orgasm after orgasm and making ordinary guys wank off over their phone - I even have a 100% cum rate on all my callers so try as you may you will be unloading and letting go of all that frustration and sense of total relief that you will find you just cannot do without. Myself I am 45 and divorced but my sex drive seems to be higher than when I was 20 and the need to be fucked is so great without these adult chat lines I could not survive with my absolute desperation for cock, I know I am an easy woman so let me give you the most extreme in phone sex chat.
